**\*JUNE'S MONTHLY MISSION:** In June, our focus will be Answer the Call, an offering toward development of future pastors in our Northern Great Lakes Synod (NGLS). The Evangelical Lutheran Church in America and its predecessor church bodies have a long history of theological education for pastors and other rostered persons who serve this church in ministries of Word and Sacrament as well as Word and Service. The schools where

theological education takes place are called seminaries, and that education costs money. Through this offering and together with our whole synod, we can empower our synod seminarians to enter their years of service to the church with as little school debt as possible. In fact, our goal as a synod is to fund full tuition scholarships for our NGLS seminarians. Such care empowers not only these servants of the church, but also the church itself as we seek future leaders. If you wish to give to Answer the Call, use the June Monthly Mission envelope from your offering envelope box or in some other way designate your gift. *Thank you for your generosity!*
