1. **MUSIC** – Focus on a hymn or song.

b) To whom is it sung? (check all that apply)  
 God       You/Us       Others  
c) What does it say?

We're asking God to not give up on us, but to empower us to love and serve others as Jesus loves and serves us.

2. **BIBLE** – Focus on one of the day's Bible passages.

- a) What's the passage? (Example: John 3:16-17)

Jonah 3:10-4:11

- b) What does it say?

After everyone in Nineveh repented, Jonah is mad, because God changed His mind about Nineveh's destruction. God tries to help Jonah see those in Nineveh not just as enemies, but as people God created and loves.  
(+animals)

3. **SERMON**

- a) What seems to be the MAIN point of the sermon? Any other important points?

God wants us to see even our enemies as ones whom God created and loves. In spite of what they've done, they are still worth God's patient, loving outreach.

- b) How can you apply the sermon's message to your own life? Be as specific as possible.

There's a person right now who's really bothering me. They've hurt me with what they've said, but maybe God is inviting me today to at least pray for them.

4. **OVERALL** – Questions, comments, or concerns:

Is God at all caring about all the people hurt by those of Nineveh?
